# borg& overström

## Compact design for flexibility

Hygienic and ergonomic, B4 flourishes in all environments – from boardroom to sports hall. Its compact size, large dispense area for bottles, multiple water options and flexible configuration make it Borg & Overström's most popular model.

---

### Reasons to choose

- Ultra-hygienic touch-sensitive control panel
- High capacity dispense area for bottles and jugs
- Sealed, hygienic, direct-chill cooling system
- Floorstanding option comes complete with an internal alarmed waste kit
- Unique countertop sparkling model

## Borg & Overström Totality™

Driven by a relentless pursuit of excellence, Borg & Overström Totality™ is a research and development methodology for the advancement of hygiene, innovation and technology in refreshment systems.

### Biofilm, limescale and impact resistant epoxy resin panel finish

Providing an increased level of hygiene and longevity, Fynil™ is a scratch and impact resistant epoxy-resin surface finish - effectively resisting biofilm development and limescale cohesion.

### World-class filtration

For the ultimate drinking experience, Borg & Overström appliances can be pre-fitted with a 3M filter to reduce sediment, chlorine, odours and scale.

### Laboratory certified 99.999% bacteria-free

Every Borg & Overström appliance undergoes an anti-microbial, antipathogen, sanitising procedure. The reassurance of hygienically safe appliances is provided by the unique bacteria-eliminating process, Sterizen™.

### Ultra-violet sterilising system

For added hygiene confidence, appliances can be fitted with Viovandt™ – an ultra-violet sterilisation process that reduces water-borne bacteria.

## Additions for B4

### Printed paper cups

Environmentally-friendly disposable cups designed to fit Borg & Overström cup dispensers perfectly.

### Deep Sparkle™ CO<sup>2</sup> refills

Can be disposed via standard steel recycling or general waste. Requires CO<sup>2</sup> regulator with gauge.

### Sanitisation kit

Six monthly sanitising cycles ensure appliances function at the optimum hygiene levels.

### Waste kit overflow sensor

Featuring an audible high-water level alarm to prevent the base cabinet waste tank from overflowing. Included as standard on floorstanding models.

### Leak detection kit

Featuring a moisture sensor that shuts the water supply in the unlikely event of a leak. Included as standard.

### Install kit with 3M filter

Install appliances simply and effectively in a wide range of applications. Complete with a 3M filter.

### Ultra-violet filter kit

Complete Viovand™ filter kit to assist in water purification and removal of unwanted micro-organisms.

### Rear cover

Tamper-proof rear cover anchors the appliance to the wall and protects plumbing and electrical connections. Ideal for public areas.
